EASTER SUNDAY – 1st April 2018

Alleluia! He is risen!

Two of the many wonderful gifts we have are life and freedom. What greater day is there for us to give thanks for them! Today is the feast of life, the feast of Christ's victory over death. It is even more than that; Jesus not only vanquishes death but darkness and sin too! Those negative things that limit our freedom and prevent us from enjoying life in its fullness are truly beaten. By living and dying in Christ we know we will rise with Him on the last day. While we have to wait until the end of time to enjoy the fullness of His victory; we can begin to share in it now as we celebrate His liberating love. As we proclaim His victory, our faith is renewed and we gain the courage to stand up to a world that seeks to destroy the wonderful gifts of life and freedom. Let us take the great news of Christ's Easter victory with us and tell it to world with joy and confidence; He is our life and our guide to freedom. He is risen! Let us, rejoice, Alleluia!

...Alleluia, Let the whole wide world rejoice, alleluia, alleluia!

Thank you all so much for all your help over the Easter ceremonies, for all those who were involved in the preparations and those who came and participated. Thank you as ever for your kind and generous gifts as well. I will keep you all in my prayers in Lourdes. Christ is risen. Alleluia!

Fr Hugh

Fr Hugh is in Lourdes next week so please note there will be Eucharistic Services on weekdays. Fr Monsignor Slattery and Fr Paul Hypher will be with us next weekend for Masses.

It was very good to see so many there at the Tuesday meeting the other day.
